

The diagram shows a cross-section of a building. At the top, there is a rectangular window with a blue border. Below it, a horizontal dimension line is labeled 'mind. 3.2'. A diagonal line representing a pedestrian bridge runs from the top left towards the center. Below this bridge, a staircase is shown with horizontal lines representing steps. At the bottom left, there is another rectangular window with a blue border, containing the number '162.71'. The building's exterior walls are filled with a stippled pattern. The interior of the building is white. The number '123' is written near the bottom right corner of the building's cross-section.
